This is us.

Please remember school starts at 9am.

Lovely spell of weather - long may it last!

The calendars and school photos have arrived and are in the school office. They will be sent home on Friday if you don't collect them before that.

We have received our biannual donation of \$500 from the Thomas George Macarthy Trust for library books, which we greatly appreciate.

Glen Oroua Community Shared Pantry

Ever had any extra produce that you can't use? Well here is the solution! We are making a shared pantry so that if you have any extra produce, you share it! You simply put it in the pantry, and someone will come along and eat it, so no waste! We had a couple of ladies from Bunnings warehouse named Leanne and Janelle come and help us build it. They even gave us free hats! In the pantry you can put in seedlings, fruit, veges, nuts etc.

You can take what you need and share your excess food. Also, the year eights planted some graduation trees down the board walk. We really enjoyed building this and we hope that it works really well.

Friends of the School

- The Friends of the School would like to thank all of those who came to our Jingo night last Friday. It was a fun night and well attended. Special thanks to Gen for organising a great night!
- Our last meeting of the year is coming up next Wednesday 4th Dec. 7.30pm @ Nicole's house which will include drinks and nibbles. Please keep in mind too that our Treasurer position still remains to be filled with Cath departing that role at the end of the year. Have a chat to one of us to see if this is some thing you would be interested in doing.
- Our last social event for 2019 will be the Hangi next Friday night. Fots have been asked to join in and help with the Hangi, so if you would like to help out please contact one of our committee members. This means we will not be holding our usual picnic when school finishes.
- The Fots would like to thank all parents and community members for all your help and participation throughout this year. Without your input our group would not run as successfully as it does.
