### Swimming Pool Refurbishment

A big thank you to the Glen Oroua Sports Club for their generous donation. This donation will be going directly to the refurb work currently being completed on our school pool. The Glen Oroua Sports club has been around for 75 years and with this donation the club will be wound up. It was a

fantastic gesture from the club and these funds will go directly to our pool which can be used by the community.

### Principal Announcement

It is with great pleasure the Board of Trustees wish to announce the new Principal of Glen Oroua School starting Term 1 next year is Francie Carroll.

We all know Franice's love for both teaching and learning, our school and local community and with her drive will see Glen Oroua School continue to flourish. Please join us in congratulating and welcoming Franice into her new role.

### Glen Oroua Athletics Day

This will be held on Friday 13 November, from 10 - 3pm, with a break from 12.10 - 1pm for lunch. Please join us for a fun day of athletics competition, stick around for a picnic lunch with you children, and buy a coffee from the coffee cart that will be on site for the day (all profits going to Room 1 camp). It would be great to see all the children dressed in their house colours for the day, as this is one of the last opportunities to gain points for the coveted house trophy. Sunscreen and sun protection will be a must. A timetable of events will follow next week. We hope to see you for all or part of the day!

### Rongotea Christmas Parade

Thank you to the Rongotea & District Lions for continuing to offer us the opportunity to include a float in the much-loved Christmas Parade, which will be held this year on Sunday 22 November (time involvement roughly between 11 & 2.30 - more details to follow). Usually we have a big portion of our tamariki on the float, and we look forward to the same this year. Current thoughts about our theme are a Santa's Village, with a bundle of Glen Oroua elves in tow. I am really keen to get hold of some thick cardboard that's 1-1.5m high, and some helpers (not elves so much) to draw some houses/buildings that could run through the middle of our float, that the students could then paint. We would also appreciate ideas/donations of white fabric to wrap haybales in to look like snow drifts, and white wool to make into pompoms (aka snowballs). Any ideas or further offers for help also would be welcomed. Thanks, Francie.

- ◆ Assembly - Friday 6 November 2.15pm in the Library
- ◆ Head lice - Please check regularly and treat if necessary.

## JINGO FUNDRAISER

SATURDAY 14th November 2020

Hosted by Glen Oroua  
Friends of the School
