

GLEN OROUA SCHOOL

Kaitiaki for our Community

14 November, 2023

Kia ora Glen Oroua whānau,

We had wonderful involvement of students in the Manawatu Oroua Boys & Girls Championship Day last Saturday, alongside a beautiful day. The students participation in this, alongside all of the students' diaries that were entered, resulted in us once again winning the B&A Cup - for the school that earned the most points at Championship Day. We really appreciate the work of the Boys & Girls Club team that enable us to continue to participate in this event.

Rongotea Lions Christmas Parade...

This will be held on Sunday 19 November and our school will again be entering a float. The theme for our school float this year is 'Summer Wonderland' and students will wear summery clothes - with a dash of Christmas. Hawaiian shirts, jandals, sunhats, boardies etc. We do ask that students have their shoulders covered (so no togs) as they're up on the float for quite a while.

We meet by the Op Shop side of the Square (11am onwards for helpers, or by 12.15pm to jump on the float). Judging starts at 12.30pm, with the Parade itself at 1.00pm. The hour of putting the float together is usually pretty full on, so we'd appreciate lots of help! There are plenty of stalls to purchase lunch from while kids wait for the parade to start. Remember to sunscreen up beforehand, and any cancellation will be shared via Seesaw in the morning.

Whānau Feedback Opportunity...

Today we have shared a survey with you to allow you to offer your perspective on the future direction of our kura. A paper copy of the survey was sent home today, along with a link to the same, online version via Seesaw. The good news is - you only need to fill in one! The survey closes on Friday 24 November - so get onto it right away! We are really looking forward to hearing your feedback.

Life Education with Tim...

It has been wonderful to again have Tim from Life Education working with our tamariki reinforcing important messaging about wellbeing and relationships. The children and teachers love his energy and enthusiasm, which come with a good smattering of 'dad jokes', and it is great for the children to hear these ideas from another adult..
